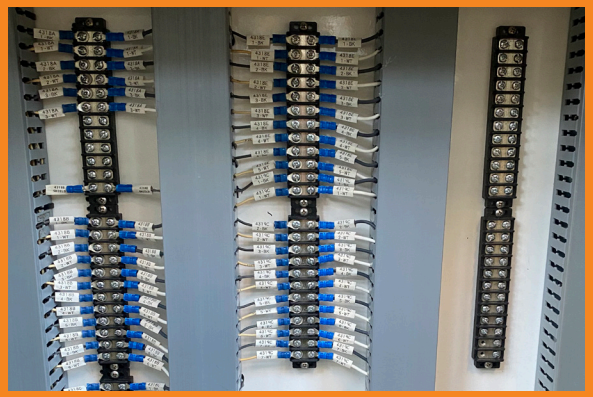
SAFETY FIRST

Electrical safety is our primary concern at TEiC. We have developed an Electrical Safety Manual and work closely with our Safety Professionals to ensure the safety of our personnel. We adhere to industry standards, including:

- **NFPA 70** (National Electric Code)
- **NESC** (National Electrical Safety Code)
- **NFPA 70E** (Standards for Electrical Safety in the Workplace)
- **NFPA 72** (National Fire Alarm and Signaling Code)
- Customer-Specific Electrical Specifications

NATIONWIDE PRESENCE AND RESPONSE

With physical locations throughout the U.S. and fully equipped trailers, TEiC can rapidly respond to any electrical needs.



CONTACT US TODAY

TEiC is a subsidiary of Babcock Power Inc., providing innovative, high-quality steam generation and energy-related products and services to the power generation and processing industries. Whether working independently or together, each company shares the same core values of safety, integrity, and quality, with one common purpose: to provide outstanding service to every customer and exceed expectations on every project.
